

EF-ZP3000W

Power: 3000 watt

Max speed: 65-70kmph(40-43mph)

Range: 60-70km(43m)

Climbing ability: 15degree(=27%)-zero start

motor and controller(warranty: 12months)

battery and charger(warranty: 8, 10 months)

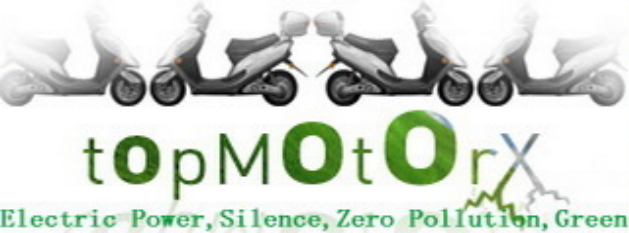

Lithium battery with BMS available (48v,30ah)

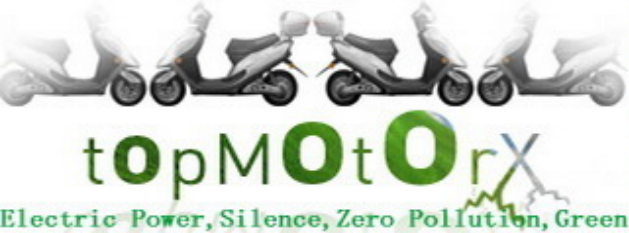

Max speed: 45-60kmph(28-36mph)

Range: 90-100km(62m)

Dimension:	2000(L)x655(W)x1125mm(H)
Wheelbase:	1460mm
G.W:	150KGS
N.W:	121KGS
Tire specification (Front/rear):	13"
Tire pressure:	175kpa
Shock absorption system:	Hydraulic pressure damp (Front) Spring (Rear) adjustable
Brake system:	Disc brake(F) Disc brake(R)
Electric motor power:	3000W
Electric motor voltage:	60V
Electric motor type:	Brushless motor
Controller voltage:	53-66v
Controller power:	3000w
Controller type:	60V
Battery:	Silicon battery 60V46AH
Charger input voltage:	AC220 50HZ/AC110V 50HZ
Charger output voltage:	60V
Charging time:	6- 7 hours
Drive manner:	Rear wheel drive
Top speed:	45(EU), 70km/h (power button)
Distance (one full charging):	60-70KM
